

# **EMERGENCY SERVICE**

## **VISION**

Safer communities where all citizens are provided the right to timely emergency response and care without discrimination.

## **POLICY**

Establishment of an effective system for emergency preparedness, response, protection & prevention; while contributing towards building socially responsible, healthy, resilient, and safer communities.

## **OBJECTIVES**

- Provision of the right to timely emergency care by providing quality emergency service as per international standards.
- Undertake research to recommend evidence based measures to related organization for prevention of emergencies.
- Contribute towards establishment of socially responsible community emergency response team through awareness, enrollment, training & organizing volunteers for emergency preparedness, response and prevention.

## **STRATEGY / STRATEGIC INTERVENTIONS**

- The Government of Punjab, established modern pre-hospital emergency management infrastructure in all District headquarters.
- Punjab Emergency Service has been established for professional management of emergencies such as accidents, buildings collapse, explosions, fires, hazardous material incidents and disasters.
- After the establishment of Service in all Districts of Punjab, phase wise expansion in all Tehsils of Punjab is presently underway and so far 89 Tehsils/ Towns have been covered and a project covering remaining 62 Tehsils has been approved to be started in FY 2016-17.
- The enactment of Punjab Emergency Service Act, 2006 clearly defines the role, functions and responsibilities of the Rescue 1122 Service thus establishing an effective system for emergency preparedness, response and prevention in Punjab.

- The sustainable Human Resource Development has been ensured through the establishment of Emergency Services Academy at Thokar Niaz Beg. Further, the strengthening of the said Academy with the cost of Rs. 460 million is also underway.
- In order to ensure the capacity of the Emergency Service in District Lahore a project has been taken up to manage emergencies in high rise buildings.
