# **ENVIRONMENT**

# **ENVIRONMENT**

# **VISION**

Promotion and attainment of sustainable development in the province through integration of economic development and environmental consideration

# **POLICY**

- Implement Pakistan Environmental Protection Act (PEPA 1997)
- Promote environmental awareness among the masses
- Implement National Environmental Quality Standards (NEQS)
- Promote R&D in pollution prevention and environmental improvement
- Monitor the quality of industrial effluents and municipal wastes
- Encourage sustainable development
- Provide information on environment friendly technologies
- Conduct campaigns against smoky and noisy vehicles
- Review of IEE/EIA and issue environmental approvals
- Collaboration with NGOs/CBOs for undertaking environment related projects
- Coordinate with Federal Government and other Provinces on environmental issues /policies/laws

#### STRATEGIC INTERVENTIONS

- Regulatory control on environmental pollution through capacity building of EPA Punjab
- Promote environmental sustainability through capacity building of Provincial Departments in environmental management by training in various areas of environmental management including environmental impact assessment and life cycle assessment etc
- Grass root initiatives through community based environmental improvement programme
- Introduction of environment friendly indigenous technologies for various small and medium enterprises in Punjab
- Motivation of research and educational institutions for development of indigenous pollution control technologies
- Monitoring and characterization of surface water bodies in Punjab
- Propagation of environmental monitoring and surveillance program to identify and quantify the state of pollution
