

Name of the Project	PUNJAB IRRIGATED AGRICULTURE PRODUCTIVITY IMPROVEMENT PROJECT (PIAPIP)
Donor	World Bank
Financing Mode	Loan
Executing Agency	Agriculture Department
Donor Share	\$ 250.00
Local Share	-
Start Date	26-04-2012
End Date	31-12-2018
Objectives	Improving productivity of irrigation water by efficient conveyance and its effective farm level use by adopting conservation agricultural practices. Production of more profitable crops through high efficiency irrigation systems (HEISs) for meeting increasing domestic demand and enhancing exports. Strengthening the private sector service delivery capacity and sustainability for supporting irrigated agriculture. Capacity building of stakeholders in better managing irrigation water for attaining higher crop yields with less production costs.
