

PMU, PUNJAB REFORM MANAGEMENT PROGRAM (PRMP)

Vision

In 2003 P&D Board, the principal planning organization of Govt. of the Punjab, established PMU PRMP to provide a variety of support and better continuity and maintenance of standards, increased skills development and transfer and the ability to collect and handover vital lessons learned from one program to the next. Since its inception, PRMP is performing as a lead organization, assisting government departments in undertaking governance reforms and research based policy and institutional reforms for improving service delivery to citizens. PRMP had been mandated to become flagship organization for governance reforms in public sector enabling departments to attain targets under Sustainable Development Goals (SDGs), Punjab Economic Growth Strategy and Punjab Spatial Strategy 2047 and RISE Punjab Framework.

Key Activities

- Strengthen institutional capacity by focusing on public sector HR development.
- Strengthen departmental capacity to design and deliver better and research based policies and improved services.
- To assist departments in conducting organizational reviews
- To build and maintain a digital library of outputs on reforms-Knowledge Management

Structural Layout

- Policy & Research Wing.
- Human Resource Development & Organisational Development Wing
- Program / Project Management Wing
- Administration & Finance Wing

Notable Programs

PRMP remained involved in the planning, coordination and monitoring of number of significant World Bank/ Asian Development Bank and Local funded programs; namely:

- Punjab Capacity Building Program;
- Punjab Governance Efficiency Improvement Program;
- Enhancing Capacity for Resource Management And Poverty Reduction In Punjab.

Major Initiatives

&

Achievements

- Foundation of the Punjab Governance Knowledge Repository has been laid down by the dedicated and hardworking team of PMU-PRMP. Record of around 2500 documents of 45 departments and prominent think tanks have been maintained.
- Planning Compendium has been developed after a rigorous process of coordination and compilation of relevant documents.
- Capacity development of the employees is one of the quintessential elements of progressive and up-to-date organisations. Through Capacity Building initiatives, PRMP has ensuring the technical well-being of the employees of Government of Punjab since 2003 and trained around 830 government officers.
- PRMP conducted reviews and assessment studies of different departments of government of Punjab.
- Ensured the promulgation of Transparency and Right to information Act 2014 through PPMR Program by developing websites of 84 departments/attached organisations.
- Functional Digital Property Registry in all 36 districts of Punjab.
- Establishment of Citizen Contact Center at PITB and provision of information for key services to public through helplines.
- Development of PPRA MIS for digitization of procurement process to help mal practices within GoPb departments.
- Introduced the concept of smart monitoring via smart tools for improved performance and service delivery of major service delivery departments.
- Event management such Dengue Awareness sessions, Punjab Governance Forum, Media Conference, Transparency and Right to Information Act awareness workshops etc.
