

# **EMERGENCY SERVICE**

## **VISION**

Development of safer communities through an effective system for management and prevention of emergencies such as road traffic accidents, hazardous material incidents, buildings collapse, explosions, fires and disasters.

## **OBJECTIVES**

- Establishment of a system for emergency preparedness, response and prevention.
- Development of a safer community through proactive approach towards emergency management, community awareness and training.
- To have positive socio-economic impact on the society by reducing disabilities and deaths due to injuries.

## **STRATEGIC INTERVENTIONS**

- The Government of Punjab instead of making haphazard interventions has established modern pre-hospital emergency management infrastructure in all district headquarters.
- The same Service is being introduced in all tehsils in phases. Under Phase-I, 12 tehsils were taken up in 2011-12. Adequate allocation has been made for further expansion of Emergency Service in Punjab.
- As a result of the establishment of Punjab Emergency Service in all districts, a comprehensive Emergency Management & Disaster Response infrastructure has been established with trained emergency medical, rescue & fire services along with Disaster Emergency Response Teams for the first time in Punjab.
- The sustainability of the Emergency Services Reforms has been ensured through the enactment of Punjab Emergency Service Act, 2006 which clearly defines the role, functions and responsibilities of the Rescue 1122 Service thus establishing an effective system for emergency preparedness, response and prevention in Punjab.

- The sustainable Human Resource Development has been ensured through the establishment of Emergency Services Academy of international standard.

### **Trend of Allocations**
