Subject: 2-Day Training Programme on Project Management (PC-I to PC-V) by IEDC NUST (September 2-3, 2026)

Respected Sir/Madam,

1. The Iqbal Executive Development Centre (IEDC) at National University of Sciences and Technology (NUST), Islamabad, is inspired by the vision of Quaid-e-Azam Muhammad Ali Jinnah and Allama Muhammad Iqbal and committed to advancing ethical, strategic, and future-ready leadership through world-class executive education.
2. Effective project management is essential for the successful planning, approval, execution, and completion of development projects. In Pakistan, **PC-I to PC-V** provide a structured framework for project identification, feasibility, implementation, monitoring, evaluation, and completion. A clear understanding of these documents enables professionals to develop well-planned projects, ensure efficient utilization of resources, and meet institutional and regulatory requirements.
3. To support this objective, Iqbal Executive Development Centre (IEDC), is organizing a 2-Day Executive Course on ***"Project Management PC-1 to PC-V: Planning, Execution, and Evaluation".*** The course will equip participants with practical knowledge of the complete project cycle, from initial concept development and feasibility assessment to implementation, monitoring, evaluation, and post-completion assessment.
